Welcome Book

About Us

Mount International School (MIS) is an English-medium, co-educational institution located along the scenic Sidhwan Canal Expressway, near Tibba Bridge, Ludhiana, Punjab – 141421. Founded on 01 April 2016, under the aegis of the Lala Megh Raj Garg Educational Society, MIS was envisioned not just as a school, but as a transformative space for nurturing young minds into responsible and capable global citizens.

The foundation of MIS is deeply rooted in the vision of its founder, Lala Megh Raj Garg Ji, a pioneering industrialist and philanthropist, whose unwavering commitment to education was evident despite his numerous business ventures. His lifelong dream was to give back to society by creating an institution that would empower future generations through quality education. He believed that true progress comes not just from economic growth, but from nurturing intellect, values, and the spirit of inquiry.

Affiliated with the Central Board of Secondary Education (CBSE), New Delhi, MIS offers a dynamic, learner-centric environment that encourages creativity, critical thinking, and a lifelong love for learning. The curriculum is balanced and forward-looking, rooted in strong pedagogical foundations and enriched with co-curricular opportunities that develop the whole child. At MIS, learning goes beyond textbooks; it builds character, compassion, and confidence.

Backed by a team of committed, experienced, and passionate educators, Mount International School ensures that every student receives personalized attention and is guided towards achieving excellence not only in academics but also in life.

Vision

To be a centre of excellence that nurtures well-rounded, confident, and compassionate individuals by blending traditional values with modern education. We envision empowering students through a safe, inclusive, and technologically enriched learning environment that fosters academic excellence, character development, creativity, and global citizenship.

Mission

At Mount International School, we are committed to nurturing each child's unique potential by fostering curiosity, resilience, and empathy. Through meaningful learning experiences, supportive relationships, and a culture of care, we strive to develop thoughtful individuals who are confident in their abilities, respectful of differences, and prepared to contribute positively to a diverse and evolving world.

Motto

Enhance | Extend | Empower

Future Ready **Minds**

Value Rich **Hearts**

A Note from the Chairman

Education with Purpose and Principle

It fills me with immense joy and pride to witness the dream of my late grandfather, Sh. Megh Raj Garg, come to life, a dream rooted in creating a space dedicated to children's education. Over the past eight years, this vision has blossomed into a thriving institution, steadily advancing toward excellence. The heartfelt appreciation and trust we continue to receive from the residents of Ludhiana affirm the strength of our mission.

The early days brought with them many challenges, as we worked with dedication to demonstrate the sincerity and purity of our purpose. Today, those efforts have borne fruit. The growing strength of our student body, the successful integration of a holistic and future-ready curriculum, and the admirable character of our students both within and beyond the classroom speak volumes about our values-based approach to education.

We are proud to offer an environment that honours timeless principles while embracing the innovations of digital learning and the imperatives of sustainability. As parents, you can be assured that your children will graduate from Mount International

School as confident, compassionate, and conscientious individuals rooted in values, ready for global challenges, and committed to making a positive difference in the world.

The values and vision of my grandfather, his integrity, compassion, and unwavering commitment to community welfare continue to guide every step we take. His legacy serves as a constant reminder that true education goes beyond academics; it is about shaping character, nurturing empathy, and inspiring a lifelong commitment to serve society with purpose and pride.

I extend my heartfelt gratitude to all parents for their unwavering trust and to our outstanding team of educators and staff for their relentless dedication. Thank you for being the strength behind this shared dream.

I warmly welcome you to be a part of our journey.

Vishal Garg

Chairman

A Note from the Principal

Inspiring Pathways

Dear Parent,

Welcome to Mount International School - a vibrant and dynamic learning community where each child's innate potential is recognised, nurtured, and empowered to flourish.

As you embark on this meaningful journey with us, you become part of a school devoted not only to academic excellence but to cultivating the whole child. At MIS, we harmoniously integrate the timeless wisdom of traditional values with the innovative spirit of modern education. Our vision transcends the conventional role of a school - we aspire to be a sanctuary of growth, character, and lifelong learning.

We believe that true education is not solely about preparing children for a livelihood but about inspiring them to lead lives of purpose, empathy, and integrity. In alignment with this belief, we offer a secure, inclusive, and technology-enabled environment that fosters intellectual curiosity, creative expression, moral resilience, and global awareness.

Every child is distinct, and at MIS, we are steadfast in our commitment to unlocking and nurturing that

individuality. Our mission is to instil a spirit of inquiry, the strength to persevere, and the compassion to lead - qualities that are indispensable in navigating today's complex and ever-evolving world. From foundational years through to senior secondary levels, we endeavour to guide each learner towards self-discovery, excellence, and empowered citizenship.

We also deeply cherish the symbiotic relationship between school and home. Through transparent communication, dedicated faculty, and a shared vision for our children, we collaborate closely with parents to co-create futures that are not only successful but meaningful.

Let us walk this path together - to nurture your child's aspirations, to build strong moral foundations, and to raise individuals who will shape a more enlightened and compassionate world.

We look forward to partnering with you in your child's journey of learning and growth.

**Warm regards,
Principal**

Our Founding Principles

At Mount International School, our founding principles serve as the bedrock of our philosophy and daily practice. These principles reflect our unwavering commitment to nurturing young minds in a way that balances academic excellence with values-driven education. Rooted in tradition and inspired by innovation, they guide our every decision, inspire our learning culture, and shape the compassionate, confident, and capable individuals we aspire to develop:

- **Holistic Excellence :** Education must go beyond academics to nurture excellence in character, creativity, Physical and emotional well-being.
- **Integrity and Ethical Leadership:** We are committed to cultivating honesty, accountability, and moral courage in every member of our school community.
- **Empathy and Respect for All:** We honour every individual's identity and experiences, fostering an environment of mutual respect, compassion, and inclusivity.
- **Inquiry and Lifelong Learning:** We value curiosity and independent thinking, encouraging students to ask questions, explore ideas, and love the process of learning.
- **Resilience and Grit:** We teach children to embrace challenges, learn from failures, and grow stronger with each experience.
- **Service and Global Responsibility:** We instil a deep sense of social responsibility, environmental stewardship, and a readiness to contribute meaningfully to a changing world.
- **Community and Collaboration:** Strong partnerships between educators, families, and the wider community are essential for meaningful education.

The emblem of **Mount International School (MIS)** is a powerful visual representation of the school's vision, values, and commitment to excellence in education. At the centre of the emblem, the bold initials "**MIS**" are enclosed within a **shield**, symbolizing **strength, protection, and unwavering integrity**.

Beneath the initials lie two timeless icons: a **book**, symbolizing **academic learning and intellectual growth**, and a **globe**, representing **global awareness** and the international outlook nurtured at MIS.

Surrounding the shield are **golden wheat motifs**, evoking themes of **nourishment, prosperity, and continuous** intellectual and moral development. Crowning the emblem are **nine radiant stars**, signifying **aspiration, excellence, and the guiding principles** illuminating the path for students and educators alike.

Set against a royal blue background, the emblem draws upon the colour's associations with trust, wisdom, and the depth of knowledge the school seeks to impart.

Prominently placed beneath the shield is the school's name,

Mount International School, grounding the emblem in a clear and proud identity. Below it rests the school's motto:

“Enhance Extend Empower” - encapsulating its mission to **enhance learning through excellence, extend opportunities beyond the classroom, and empower students** to thrive in all areas of life.

Complementing the motto is a powerful vision statement that defines the heart of the MIS community:

Future Ready **Minds**, Value Rich **Hearts**

A School Ahead of Its Time

An English Medium, Co-educational School Affiliated to CBSE, New Delhi

Welcome to a progressive learning institution designed to nurture young minds and prepare them for a dynamic world. Our school stands out as a beacon of excellence, innovation, and inclusivity, offering a comprehensive educational experience that blends academic rigour with holistic development.

Why Choose Us?

Academic Excellence

- **Qualified and Experienced Faculty:** Passionate educators dedicated to student success.
- **Excellent Teacher-Student Ratio:** Personalized attention for every learner.
- **Concept Clarity and Skill Development:** Emphasis on building strong foundational understanding through regular revision and application-based learning.
- **Remedial Support:** Extra help for students who need focused assistance in specific subjects.

Innovative Early Education

- **Bag-Free Learning:** For Nursery and Kindergarten, fostering a joyful and pressure-free environment.
- **Activity-Based Curriculum:** Rich experiences that develop curiosity, communication, & motor skills.

Language and Communication Skills

- **Public Speaking and Expression:** Through poetry recitations, declamations, storytelling, and more.
- **English Enrichment Programs:** Designed to build fluency and confidence from an early age.

A School Ahead of Its Time

Holistic Development

- **Mass Participation Policy:** Every child gets a platform-no backbenchers, only participants.
- **Reward and Recognition Culture:** Celebrating achievements to promote self-worth and motivation.
- **Exposure to Scholars and Experts:** Learning from the experiences of eminent personalities and thought leaders.
- **Cultural Awareness:** Programs that connect students with India's rich traditions and heritage.

Beyond the Classroom

- **Social Awareness Initiatives:** Campaigns and theme-based projects to build empathy and civic responsibility.
- **Educational Visits and Excursions:** Real-world exposure to complement classroom learning.
- **Regular Parent-Teacher Interaction:** A collaborative approach to each child's growth and development.

Modern Infrastructure

- **Centrally Air-Conditioned Campus:** State-of-the-art facilities to ensure comfort and focus in all seasons.
- **Safe, Child-Friendly Spaces:** Designed to support exploration, creativity, & learning.

"At our school, we believe every child deserves a childhood filled with wonder, care, and unforgettable moments-because you only get one."

Embodiment of Grandeur

A Legacy of Excellence

- **Smart Classrooms:** Large, spacious, air-conditioned smart classrooms with an interactive layout and comfortable seating arrangement.
- **Coeducational English Medium School:** A coeducational school offering quality education with well-qualified, trained, and experienced teachers.
- **Excellent Teacher-Student Ratio:** Personalized attention to students through a balanced teacher-student ratio.
- **Advanced Computer Labs:** High-tech computer labs supported by a resource room for staff and students.
- **Focus on Learning Outcomes:** Emphasis on concept formation, skill development, regular revision, and recall strategies for enhanced learning.
- **Specialized Labs and Activity Rooms:** Well-equipped science labs, a social science lab, a mathematics lab, along with dedicated spaces for dance, arts and crafts, and a play station for kindergarten.
- **Inclusive Education:** Facilities and resources to support specially-abled children, fostering an inclusive learning environment.
- **Technology Integration:** High-quality, user-friendly technology integrated at all levels to stay aligned with modern educational trends.
- **Sports Facilities:** Comprehensive sports infrastructure, including badminton, basketball, lawn tennis, skating rink, football, and more, with trained coaches.
- **Safety and Security:**
 - CCTV surveillance for campus security.
 - Fire safety provisions across the school.
 - The infirmary is equipped with a trained nurse.
 - GPS-enabled buses with female attendants on board for secure transportation.

Nurturing Every Child, Beyond Academics

Empowering Growth inside and out

Our school is committed to developing every child's complete personality by focusing not only on academic excellence but also on sports, co-curricular activities, moral education, and responsibility towards society, the environment, and mother earth.

We cultivate children's natural talents and help them become globally ready without burdening their young minds. Alongside physical training, we offer meaningful co-curricular activities such as awareness campaigns, thematic learning, and educational outdoor visits that enhance learning and relevance.

Our “learning through play” approach shapes daily routines with the following goals:

- Ensure a safe, friendly, and stimulating environment where children feel valued and confident.
- Recognize each child's uniqueness and support learning at their pace.
- Develop fine and gross motor skills through playful, active experiences.
- Foster creativity and imagination in a nurturing environment.
- Build personal pride, self-control, and positive attitudes.
- Encourage curiosity, questioning, and problem-solving through observation.
- Promote commitment to and respect for learning.
- Nurture thoughtful and effective communication.

Academic rigour remains a priority, empowering students to gain admission into top institutions in India and abroad, and helping them achieve their dreams.

Academics & Curriculum

Mount International School follows the CBSE curriculum, thoughtfully aligned with the National Education Policy (NEP) 2020. Emphasis on multilingualism, experiential learning, skill development, and co-curricular integration is in line with NEP and CBSE recommendations. Our academic framework supports holistic development, nurturing intellectual, emotional, and social growth through every stage of learning. The stage wise break up is given as under for a ready reference:

Foundational Stage (Nursery to Grade II)

Ages 3-8 Years

Play-based, activity-driven learning model.

Builds early literacy, numeracy, and motor skills.

Encourages creativity, curiosity, and socio-emotional development.

Introduction to multiple languages in a joyful and engaging manner.

Preparatory Stage (Grades III to V)

Ages 8-11 Years

Transition to formal learning with hands-on, experiential teaching.

Core subjects: Mathematics, EVS, Science, Social Studies, Computer Studies.

Language learning includes English, Punjabi, Hindi, and French.

Co-curriculars: Art, Music, Dance, Sports, Abacus

Promotes critical thinking, collaboration, and curiosity.

Middle Stage (Grades VI to VIII)

Ages 11-14 Years

Focus on subject understanding and real-world application.

Subjects: Mathematics, Science, Social Science, ICT, Languages (English, Hindi, Punjabi, French).

Skill-based learning through STEM, Robotics, Debates, and Research Projects.

Co-curricular areas: Art, Music, Dance, Sports, Abacus.

Introduced skill subjects: Financial Literacy, Artificial Intelligence, Handicrafts, Block Printing.

Secondary Stage (Grades IX to XII)

Age Group: 14-18 years

Emphasis on multidisciplinary learning, critical thinking, life skills, and career readiness.

Languages: English, Hindi, Punjabi, ensuring strong language grounding.

Core academic subjects:

Mathematics, Science (Physics, Chemistry, Biology).

Social Studies (History, Geography, Political Science, Economics & Disaster Management).

Skill-based education includes Artificial Intelligence, Financial Literacy, and Communication Skills, building 21st-century competencies.

Streams Offered in Grades XI-XII

Medical: English Core, Physics, Chemistry, Biology.

Non-Medical: English Core, Physics, Chemistry, Mathematics.

Commerce: English Core, Accountancy, Business Studies, Economics.

Humanities: English Core, Political Science, History, Geography, Sociology, Punjabi.

Optional Subjects: Informatics Practices, Psychology, Physical Education, Painting, Music.

All streams offer career guidance, board preparation, and practical exposure to make students future-ready.

Skill-Based Learning (Grades VI-XII)

As per CBSE and NEP 2020, our Skill Education Program includes:

Grades VI-VIII: Intro to Financial Literacy, AI, Handicrafts, Block Printing.

Grades IX-XII: Advanced modules in Artificial Intelligence, Financial Systems, Communication Skills.

Academics Infrastructure

At Mount International School, we take pride in our well-equipped, future-ready infrastructure that fosters academic excellence and holistic development. Our campus is thoughtfully designed to support innovation, creativity, critical thinking, and physical well-being.

Learning & Laboratories

Smart Classrooms: Digitally enabled classrooms for interactive and immersive learning experiences.

ICT Labs: State-of-the-art computer labs that build 21st-century digital skills.

Science Laboratories: Separate, fully equipped Physics, Chemistry, and Biology Labs that encourage hands-on scientific exploration and inquiry.

Mathematics Lab: A dedicated space that transforms numbers into real-world learning through models and activities.

Knowledge & Creative Zones

Library: A vibrant learning hub with a vast collection of books, digital resources, and reference material to ignite curiosity and imagination.

Art & Craft Room: A colorful space fostering creativity through varied art mediums and craftwork.

Music & Dance Rooms: Well-resourced studios nurturing rhythm, expression, and performance skills in both Indian and Western traditions.

Examination Department Room: A centralized and secure room for managing academic assessments and evaluation logistics.

Performance & Expression Spaces

Amphitheatre: An open-air stage that encourages student expression through performances, presentations, and assemblies.

Auditorium: A fully-equipped indoor facility for cultural programs, seminars, workshops, and academic events.

Sports Infrastructure

Building confidence, nurturing well being

At Mount International School, we believe in nurturing champions not only in academics but also in the field of sports and physical well-being. We recognize that a sound mind resides in a sound body, and thus, physical education is an integral part of our curriculum. Our expansive outdoor facilities include professionally designed courts for basketball, football, volleyball, and lawn tennis, as well as skating rinks and athletics tracks. These facilities provide students with ample opportunities to build stamina, strength, and team spirit, while learning the values of discipline, leadership, and perseverance through sport. Regular house matches, sports days, and tournaments create a culture of healthy competition and camaraderie.

Complementing our outdoor setup is a strong indoor sports program aimed at developing agility, mental focus, and self-control. Our students train in badminton, table tennis, chess, karate, and kickboxing under the guidance of skilled coaches who focus on both technique and character-building. These activities help sharpen reflexes, enhance strategic thinking, and build confidence. We also conduct regular fitness and yoga sessions to promote flexibility, mindfulness, and holistic health. At MIS, we believe that sports is not just an extracurricular activity but a powerful medium to shape balanced individuals who are physically active, emotionally strong, and socially responsible.

Student Support Infrastructure

Holistic support for life long success

Counselling

Empathetic guidance and support services for emotional, academic, and career-related growth.

Inclusive Education

Tailored learning support to cater to diverse learning needs in an equitable and respectful environment.

School Publications

Chronicle - Our Quarterly Newsletter

At Mount International School, we believe in celebrating voices, ideas, and achievements. Our quarterly newsletter, Chronicle, is a vibrant reflection of school life - curated by students and staff alike.

Each edition showcases:

- Highlights from academic and co-curricular activities.
- Student articles, poetry, and artwork.
- Interviews, opinions, and thought pieces.
- Updates on school events, achievements, and community initiatives.

Chronicle is more than just a publication - it's a platform where creativity meets expression, and every edition becomes a window into the heart of our school community.

Healthy Body and Healthy Mind

A well-maintained health unit with trained medical staff to handle emergencies and regular health check-ups.

At MIS, the well-being of every child is a priority. The school houses a fully equipped infirmary designed to provide immediate medical attention with warmth and care. Stocked with First Aid supplies, paediatric essentials, and emergency equipment, the infirmary ensures that students feel safe and supported at all times. Routine health check-ups are conducted, and a personalized Health Card is maintained for each student to monitor their physical growth and offer timely reference when needed. A trained and compassionate Nursing Officer is present on campus daily to care for students with sensitivity and attentiveness.

In addition, experienced doctors and dietitians visit the school regularly to conduct health consultations and wellness check-ups. MIS also has trusted tie-ups with reputed hospitals to ensure that any emergency or trauma care is handled with promptness and expertise.

Education for Sustainable Living

At Mount International School, we are committed to creating environmentally responsible citizens. Sustainability is not just taught here - it is lived, practiced, and celebrated every day.

We prepare our students not only to learn about sustainability, but to practice it in real life.

Our key initiatives include:

- Eco-friendly campus with green zones and natural lighting.
- Solar panels to promote clean, renewable energy.
- Rainwater harvesting and water-saving practices.
- Waste segregation, recycling, and composting systems.
- Plastic-free campus with eco-alternatives encouraged.
- Active Eco Clubs led by students.
- Green education integrated across the curriculum.
- Tree plantation drives and nature-connect activities.

Through these steps, we aim to build a school community that values nature, conserves resources, and leads positive change for a greener future.

Learning for life, Living for planet

Excellence Every Step of the Way

At MOUNT International School, quality is at the heart of everything we do. Our robust Quality Check System ensures that the highest standards are consistently maintained across academics, infrastructure, safety, and overall school operations.

Key features of our Quality Check System include:

- **Academic Monitoring:** Regular classroom observations, lesson plan reviews, and student performance assessments to ensure effective curriculum delivery.
- **Teacher Appraisals & Training:** Periodic performance reviews followed by professional development workshops to continuously upgrade teaching practices.
- **Student Progress Tracking:** Systematic monitoring of academic and co-curricular growth with timely support through remedial or enrichment programs.
- **Safety & Infrastructure Audits:** Frequent checks to maintain a safe, secure, and stimulating learning environment.
- **Feedback & Improvement Loop:** Ongoing feedback from students, parents, and staff to drive continuous improvement and responsiveness.
- **Regulatory Compliance:** Regular internal audits to ensure adherence to all academic and safety guidelines laid down by governing and affiliating bodies.

Our commitment to quality is not a one-time effort but a continuous process that shapes the learning experience at every level. Through this system, we nurture a culture of excellence where every child, teacher, and team member thrives.

Mount International School - Where quality is not just assured, it is lived every day.

Rewards & Recognition

At Mount International School, we believe that recognition is an essential driver of growth. Our Rewards and Recognition approach is not confined to celebrating success; it is about valuing effort, resilience, and consistent participation. By doing so, we ensure that both achievers and those still discovering their strengths feel supported, motivated, and inspired.

Purpose of the Practice

This practice is grounded in our commitment to holistic education. Recognition serves a greater purpose than momentary applause; it shapes character and nurtures qualities that benefit children throughout their lives. Specifically, it aims to:

- Build confidence and self-esteem, helping children believe in their potential.
- Encourage lifelong learning, where effort, curiosity, and persistence are valued as much as results.
- Foster resilience, teaching students that setbacks are part of progress and that perseverance leads to growth.
- Promote inclusivity by appreciating both achievers and those making steady progress towards improvement.
- Strengthen intrinsic motivation, encouraging children to participate wholeheartedly and take pride in their journey.
- Foster a culture of respect and appreciation by extending recognition to both students and teachers.

Impact on the School Community

For children, this framework builds the foundation for long-term success by instilling habits of self-belief, motivation, and a positive outlook towards challenges. Recognition ensures that every child, whether excelling academically, artistically, athletically, or simply showing consistent effort, feels valued and uplifted. For teachers, acknowledging academic and non-academic contributions fosters professional pride and sustains enthusiasm. When educators feel appreciated, they, in turn, inspire students with greater commitment and creativity.

Our Commitment

The management of Mount International School views Rewards and Recognition not as an occasional gesture but as an ongoing practice. By embedding this culture into everyday school life, we assure parents that their children are not only prepared to achieve in the present but are also equipped with the confidence, resilience, and values needed to excel in the long run.

School Transport & Security

Transport

The school operates its fleet of air-conditioned buses, minibuses, and vans, all driven by professionally trained and experienced drivers.

Each bus is staffed with a conductor to ensure student safety and smooth travel. For pre-primary students, at least one staff member and a governess accompany the children during transit.

Only authorized individuals are permitted to travel in each designated vehicle. All school buses are equipped with essential safety features tailored to student needs. Our transport systems are fully compliant with all established norms and guidelines issued by State and Central Government including the Central Board of Secondary Education (CBSE), New Delhi.

Security, CCTV Surveillance & Fire Safety

The school maintains a robust security system managed by a licensed security agency.

Trained security personnel are stationed across all entry, exit, and sensitive zones within the campus. A Security Supervisor oversees the movement of people and vehicles, ensuring daily logs are maintained and verified by the school administration. Access to the school is strictly regulated through identity verification.

A 24x7 electronic surveillance system covers both indoor and outdoor areas with CCTV cameras, continuously monitored for enhanced safety.

Additionally, the school is equipped with a modern fire safety system including a water sprinkler network and hydrants to effectively manage and prevent fire-related incidents.

Our security, surveillance, and fire safety measures adhere strictly to the safety standards laid down by the Central Board of Secondary Education (CBSE), New Delhi.

Pre-admission Procedure

1. Collect a Registration Kit

You will need to purchase the welcome book for registration.

The registration fee is non-refundable.

The process of registration does not guarantee admission.

2. Application Form

Parents must submit a duly completed application form (part of prospectus) alongwith following supporting documents:

- Admission form.
- Latest passport-size photos of the child and parents -(four each).
- Proof of residence - Copy of Passport / Aadhar Card/ latest BSNL Telephone Bill/ Ration Card / Latest Electricity bill/ Rent Agreement.
- Original Birth Certificate.
- Child's Aadhar Card copy.
- Original School leaving certificate.
- Original Copy of Previous Class passed report card.
- Both parent's Aadhar card and PAN card copy.
- Caste certificate copy (if cast category is other than general/open).

Note : All documents are to be self attested.

3. Screening of documents & Baseline Assessment

The submitted documents are screened and reviewed by the admission committee. Upon submission of the duly filled-in application form, a baseline assessment of the child is conducted at the school. The purpose of the assessment is to establish whether the candidate meets minimum standards for the grade applied for admission.

4. Offer for Admission

Once the above procedure is satisfactorily completed, parents will receive an admission offer. The confirmation of admission is subject to depositing of fees as applicable.

5. Approval by the principal

Post-admission Procedure

Once admission is granted, the parents and ward will be guided for allocation of school house, school uniform, books, transport and general code of conduct.
